Smith & Loveless Inc. Releases New Publication on Wet Well Mounted Pump Stations

LENEXA, Kan. – Smith & Loveless Inc. announces the publication bulletin, No. 606 *Evolution*, about the Smith & Loveless Wet Well Mounted Pump Station (WWMPS). The bulletin gives a historical timeline of the product as well as highlights features and benefits of the industry's first-ever above-grade lift station. Since its original introduction more than 10 thousand stations of its type have been installed throughout North America and around the world.

To obtain a copy of this bulletin and to learn more about the benefits and features of Smith & Wet Well Mounted Pump Station, please contact answers@smithandloveless.com to request bulletin #606 or visit www.smithandloveless.com.

Founded in 1946, Smith & Loveless Inc. is a global leader in the water and wastewater industry, offering a complete line of equipment and boasting installations in more than 70 nations around the world. For more information on Smith & Loveless Inc and its products, visit www.smithandloveless.com.
